Mutual Trading Inc. Japanese Sake Spec Sheet

| Brewery | Nanbu Bijin |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Founded | 1902 |
| | The brewery was established in 1902, and the Nanbu Bijin brand name came to be in 1951. The lwate area used to be called Nanbu (South), and is a place rich with nature, abundant water and fertile soil. In Japan, most breweries of the time made quite rough, inelegant, sweet sake, but this brewery wanted to make clean & beautiful sake like a fair southern maiden. Hence, the name Nanbu Bijin, or Southern Beauty. |
