Japanese Sake Spec Sheet

| | |
|----------------|---|
| Brewery | Takara Shuzo Co., Ltd |
| Founded | 1842 |
| Profile | Takara is renowned for their Shochu, Mirin and Sake production that spans over more than one-and-a-half centuries. Because Takara's main endeavors depend heavily on the mastery of natural processes such as fermentation, the Company feels a strong sense of responsibility toward preserving the natural environment. As a self-proclaimed "Harmonist," Takara engages in activities aimed at educating people about the importance of sustainable coexistence with nature. Work in this area is embodied by Takara's corporate philosophy: "Contributing to the creation of a vital society and a healthy lifestyle for its members through our fermentation technology and biotechnology in a way that achieves harmony with nature." |

|--|
| Tasting Notes |
| TaKaRa Chu-Hi Lemon flavored sparkling cocktail is a clean, refreshing drink with fresh lemon flavor. It's lightly cloudy in the glass, just like great lemonade. It smells like fresh-squeezed lemons accented by a hint of lemon candy. The palate is pure and lemony with long-lasting flavor and just enough sweetness to balance the tangy fruit without seeming sweet. |
| TaKaRa "CHU-HI," short for Sho-chu Highball, is an iconic Japanese sparkling cocktail that fuses Shochu(Japanese distilled spirit) and fresh juice sourced from locally grown fruits in Japan. Its mild alcohol content, delicate sweetness, and superbly refreshing fruit flavors are sure to be memorable. |
