Japanese Beer Spec Sheet

Brewery	Orion Beer
Founded	1957
Profile	Founded 1957 in Nago, Okinawa during the American occupation of Okinawa, Orion Breweries began making beer in order to provide jobs to young Okinawan citizens and hopefully improve the local economy. Now, their beer has become #1 in Okinawa and is enjoyed internationally. To meet the ever-changing needs of their loyal customers, they challenge themselves everyday with "safety and security of the customer" as their motto.

Nose	Faint aroma of citrus
-------------	-----------------------

Flavor	Well-balanced in malt and hops tastes, deep, rich, bitter
---------------	---

Food Pairings	Boldly flavoured meat and fish meals, pairs well with dishes seasoned with citrus sauces
----------------------	--

Tasting Notes	A crushable beer that exquisitely balances the taste of high-quality malt and aromatic hops, characterized by a rich depth of flavor, sustained but balanced bitterness, and a refreshing aroma.
